

Welcome Home

Thank you for considering **Casa Elite Assisted Living of El Centro**. We feature an assisted living neighborhood where you will have peace of mind knowing that our innovative programs provide our residents the opportunity to enjoy a home-like environment while having access to 24-hour professional staff.

Mission

Our mission is to provide the best health care assistance to our residents and at the same time nurture a wonderful and harmonious relationship with each one of them.

Vision

Our vision is simple but innovative -- to create alternative senior living options that emphasize quality of life. This vision is the foundation of our resident-centered approach to living. It begins with the senior and their needs; and results in tailored living, service and care options that enable seniors to live life on their terms.

Our vision is also to continue to be one of the leading residential care facilities in the Imperial Valley. We strive everyday to be at the top. Together with our principles, we believe that you will have the confidence with our services.
